USTF INTERNATIONALS RESULTS

(Editor's Note: we have eliminated references to divisions or medal positions where there was not a qualifier or a contestant medaling. Of course, it is possible for a division to have had no entrants or situations where because of infractions there were only disqualified competitors, but in many instances the threshold requirements were so substantial as to eliminate qualifying competitors from even this large a

pool of competitors. All the more credit to the winners! As in all appropriately deferential settings, ladies first.)

Sr. Grand Master **C.E. Sereff** finds himself in front of flags for our United States and others. Left: the Maylasians. Right, the Canadians, below, the Australians led by Master Charles Birch.. On page 4, the flags of Ireland and Scotland at the top of the page and the Aussie flag below

The ladies rule! Upper left, Miss **Rebecca Rosenblum**, upper right, Ms. **DeeDee Connell**, below left, Mrs. **Corinne Sroykum**. On previous page 2, Ms. **Mei Lin**. On previous page 4, Miss **Christin Langlois** on top, right and left, and bottom left. The breaker below? Ms. **Amy Wilcox**.

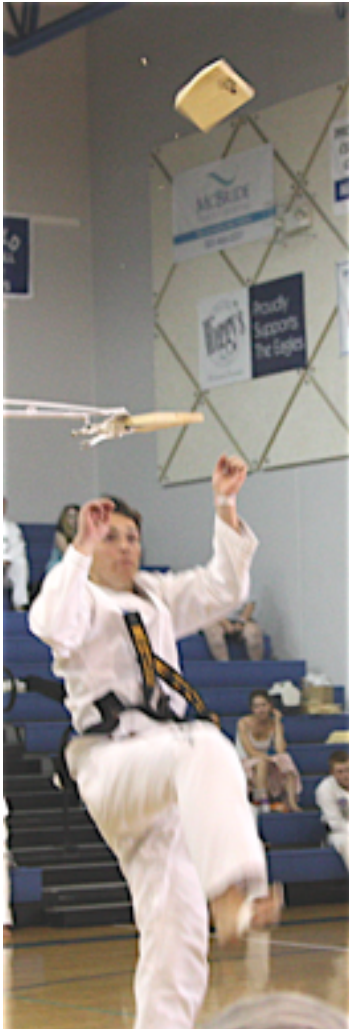

A note on the photographs in this issue: We apologize in advance for limiting the number and types of photographs contained in this issue, and acknowledge with gratitude the superb photographic work of Mr. **James Sroykum**. Mr. Sroykum submitted over 300 excellent photographs; these rate inclusion in the Flash for months to come. A mere sample is the photograph including distinguished Flash Stringer Mrs. Corinne Sroykum on this page. All other photographs in this issue (and immediately prior tournament photos in Issue #7) were taken by Your Humble Editor. Because YHE also may have misidentified or failed to identify many of the individuals depicted, our apologies are due in advance. YHE has been gratified by the many kind words expressed and cooperation extended during the International Games.

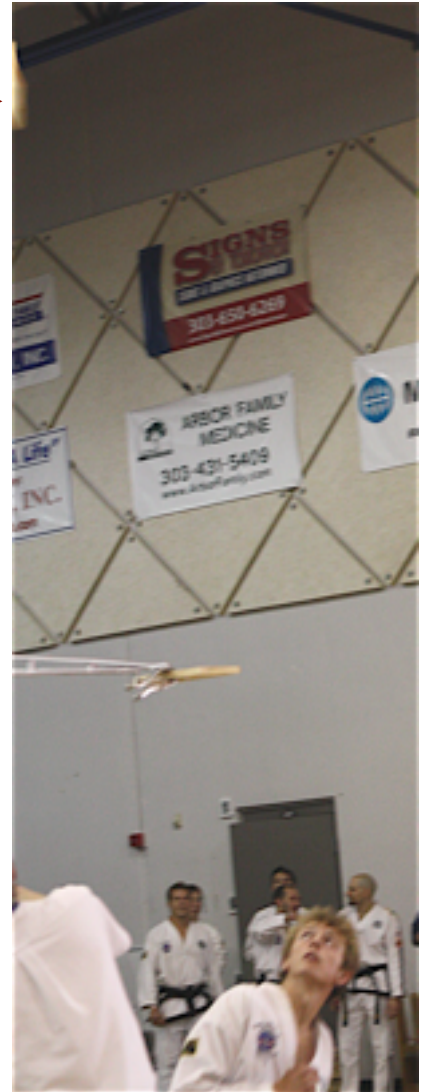

Of course, the boys can shred a little lumber of their own! Gals “back at chya” below.

The Board is at the edge of the photo, there!

Easy, sure, but make sure you start eight feet off the floor!

So, what's it all about? A select few of the awards, gup level tournament below. The best in Black Belt competition from around the world? Medals? Friends made? In the lower right-hand corner, a "little diamond" awarded Senior Grand Master Sereff. The hardest stone in nature. The Korean word, *Keumgang*. They recognize the fire of which it is born and the perseverance of which it is symbolic. So, too, with Choi, Hong Hi's humble student, C.E. Sereff.
